1	CSE	Facilities such as clean drinking water, sanitation, and the canteen need significant improvement.	Assistant Registrar must ensure the implementation of suggestions through service supervisor.
2		More industry-relevant skill-building programs must be arranged at regular interval.	HOD-CSE is advised to explore the possibilities to arrange workshops and industry oriented session on programming.
3		Attention is required on humidity issues and provide air conditioning, especially in large classrooms.	The Assistant Registrar and HOD-CSE are advised to review the ventilation systems and consider installing air conditioning in high-capacity rooms. In the meantime, they can arrange classes on the ground floor to ensure a more comfortable learning environment.
4		Upgrade hostels to improve living conditions, including cleanliness, amenities, and maintenance.	Dr. Rajesh Kaharwar, Hostel Chief Warden, is advised to address these issues on priority. If any challenges arise, he is requested to report them to the undersigned for further assistance.
5		Organize regular career-oriented sessions, startup-focused workshops, and motivational talks from alumni or industry leaders.	The HOD-CSE is advised to collaborate with Dr. Vinod Kushwah, Head of the IIC to invite industry experts and entrepreneurs for guidance sessions focused on career growth and startup initiatives.
6		Student request for saturday break. In present senario it is not fesible.	The Director IQAC is advised to review the academic processes in coordination with the Dean Academics to address this issue.
