### Student Induction Programm 2023-24

The *Student Induction Program* for the 2023-24 batch began on September 12, 2023 at APJ Abdul Kalam Auditorium . This event, filled with guest lectures, value-based sessions, and academic talks, aimed to welcome new students while offering guidance from industry experts and academia leaders.

Key events and activities included:

- **Director's Lecture:** Dr. R.K. Upadhyay, Director of HCST, engaged first-year students with an inspiring session.
- **Guest Lectures:**
  - *Dr. Rakesh Awasthi:* Renowned teacher who connected science fundamentals with daily life in an engaging talk.
  - *Ms. Sugandha:* Senior Manager from a prominent university, shared her expertise.
  - *Mr. Mohit Singh:* Technical trainer and startup mentor discussed Java Fullstack, MERN stack, data science, machine learning, web development, design thinking, and startup development.
  - Human Values and Professional Ethics lectures by in house trained faculty members.
  - Every Day Science- Lectures taken by Dr. Saket Bihari- HOD Civil.
- **Student Activities:**
  - **Literary Society Introduction:** Featured Poetic-Bustle, a poetry event.
  - **Debate and Speaking Events:**
    - *Spill of Thoughts:* Extempore competition.
    - *Battle of Minds:* Debate competition.
- **Creative Workshops:**
  - *Pictionary:* Poster-making activity.
  - *Paint-Fista:* Painting competition.
  - *Art-Talkies:* Sketching event.
- **Musical Activities-** Singing, Dancing, Recitation, Instruments playing activities and competitions were organized by the Cultural and Performing Arts Department of the college.
- **Sports Activities-** Various games and sports were held to entertain the students.
- **Grooming Sessions-** Training and Development Department conducted grooming sessions for the students.
- **Valedictory Function-** Students were felicitated with awards and certificates on Sept. 26, 2023 in the valedictory function.

These activities, supported by second-year students, created a vibrant environment for first-year students to engage, learn, and express their creativity.

### CIRCULAR

The **Indian knowledge system** offers a holistic approach to understanding various aspects of life, and its importance extends beyond cultural and historical contexts. It provides valuable guidance on ethical conduct, spiritual development, and overall well-being, offering timeless wisdom that resonates with people across different cultures and backgrounds. It serves as a testament to the depth of human intellect and the quest for understanding the mysteries of existence, making it an invaluable resource for addressing contemporary challenges.

Our college is going to organize a seminar on '**Mastering the Mind and Senses** (Increasing Mind and Concentration and Stress Free Life)' for the students of 1<sup>st</sup> and 2<sup>nd</sup> year. A certificate will be provided to the students who attend the above program.

His Divine Grace **Shri Rohini Nandan Das**, from Hare Krishna Bhakti Yoga Society and his team have consented to conduct the seminar.

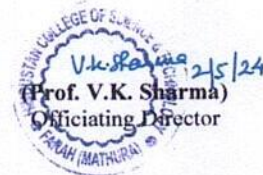

Date: 3<sup>rd</sup> May, 2024

Time: 2:30 pm onwards

Venue: **Dr. APJ Abdul Kalam Auditorium**

All the HODs and Coordinator 1<sup>st</sup> Year are requested to send the students, along with all the faculty members who do not have academic assignment at that time, to the Auditorium sharp at 2:30 pm.

### Face to face Workshop on UHV for Jail Inmates, District Jail, Agra

13<sup>th</sup> to 17<sup>th</sup> February, 2024

A 5-day (3-hours each day) Workshop was successful conducted at District Jail, Agra. Approximately 40 participants were registered in this Workshop out of which 25-30 participants attended all the sessions without gap. The Superintendent of Jail was very much interested in this Workshop. Jail inmate volunteers and police personnel performed their responsibilities with full cooperation. The Superintendent of Jail expressed his interest to conduct such workshop for women jail inmates also. Many of the participants wanted to participate at least a full 5-day workshop in future.

**Cordyceps militaris (Cordyceps Mushroom)**

#### Medicinal Value

- Cordyceps militaris, an entomopathogenic fungus belonging to the class Ascomycetes, is one of the most important traditional Chinese medicines.
- In traditional Chinese medicine, the fruiting body (fungus) and the host (silkworm) were used together.
- Cordyceps is used as a folk tonic in East Asia as it is believed to have various pharmacological properties like antitumor, anti-inflammatory, immunomodulatory, hepatoprotective, and neuroprotective.
