1	Civil	Students appreciated the excellent facilities provided by the college but Hygiene and Maintenance is required. Improvements are required in canteen area	Dy. Registrar must ensure the implentation of suggestions through service supervisor.
		We have received feedback from hostel students regarding the subpar condition of the hostel facilities. We recommend conducting a thorough assessment of the hostel amenities and addressing any areas in need of improvement promptly. Ensuring a comfortable and conducive living environment for hostel students contributes significantly to their overall well-being and academic success.	Dr. Rajesh Kaharwar, Chief warden are advsied to resolve the hostel related complaints at priority. It is also advised to guide the hostel committee to discuss the mess related issues with students.
		While the provision of a book bank facility is appreciated, we suggest upgrading the book collection to include more recent and relevant academic resources. This enhancement would better support students in their academic pursuits and help them stay up-to-date with the latest developments in their respective fields of study.	Library incharge has advised to purchase the books for civil department as per requirements given by HOD-Civil.
