

JOINT RESOLUTION OF SHARDA EDUCATIONAL TRUST, SHRI ANAND SWAROOP EDUCATIONAL TRUST AND BABU MOHAN LAL ARYA SMARAK EDUCATIONAL TRUST FOR CREATING A CENTRAL FACILITY FOR COORDINATED ACTION INVOLVED IN THE OPERATION OF INSTITUTIONS OF HIGHER LEARNING SPONSORED BY EACH OF THE TRUSTS

A meeting of the Managing Trustees of Sharda Educational Trust, Shri Anand Swaroop Educational Trust and Babu Mohan Lal Arya Smarak Educational Trust was held on Sunday, 25th July, 1999 at 10, Jawahar Nagar, Kandhari, Agra, to discuss the various issues of common interests to the three Trusts which primarily are involved at present in establishing, maintaining and running higher educational institutions at Mathura and Agra.

2. It was noted that Sharda Educational Trust had set up two colleges, namely, Hindustan College of Science & Technology, Mathura and Hindustan Institute of Management and Computer Studies, Mathura, in the years 1996 and 1997, respectively. Likewise, Shri Anand Swaroop Educational Trust had established Anand Engineering College, Agra (1998) and Babu Mohan Lal Arya Smarak Educational Trust had set up BMAS Engineering College, Agra (1999). During the deliberation, it was highlighted that there are multiple operations involved in running of the institutions in which each Trust/College spends considerable time, energy and financial resources, sometimes even at cross purpose leading to unhealthy competition, even though the broad aims and objects of all the Trusts were identical in nature and were sponsored by the same joint family.

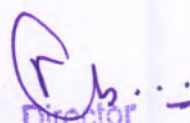

3. The Trustees present in the meeting also felt that there are many areas where collaboration may take place amongst the institutions for mutual gain, such as common admission processing teams, HR Department for appointment of faculty and staff, general administrative issues, including adoption of standard operating procedures in areas like performance appraisal system, placement, sports & games, cultural activities, etc.

4. Hence, it was resolved that a body, namely, 'Sharda Group of Institutions (SGI)', may be created on immediate basis, with mutual consent of all the parties to this resolution. The SGI will be housed separately and shall be headed by a Chief Executive Officer/President who will be a person of eminence with an excellent track record in industry and/or academics. In his absence, the powers and functions shall be exercised by the Executive Vice-President, on his behalf. Further the group members will be full time employees and draw their salary from one of the Colleges, on an equitable basis so that the expenses are shared by the three trusts.

To create a common electronic platform for showcasing the Group Institutions and disseminate crucial information pertaining to the various activities, courses/programmes conducted by the colleges under the three Trusts, it was resolved that the SGI shall take necessary steps for registering a web-portal expeditiously under the domain: www.sgei.org.

5. Further, it was resolved that the scope of the work/responsibilities of the Sharda Group of Institutions shall cover the following:

- HR functions, including hiring/selection, appointment, in-house training, performance appraisal and career progression of faculty and staff.
- Admission promotion activities, including marketing.
- Ensuring compliance of Government/Affiliating University and Regulatory Bodies.
- Land Acquisitions

- Legal Matters
- Sports and Games
- Students' Placements
- Other matters of Group interests, as suggested by the Chairman/Vice Chairman.

6. Resolved that the member Trustees of the three Trusts on board will elect a Chairman and a Vice-Chairman of the Sharda Group of Institutions from amongst the trustees of one of these trusts. After due consideration, it was unanimously resolved that:

- Mr. P. K. Gupta, Managing Trustee of Sharda Educational Trust, is nominated as Chairman of the Group.
- Mr. Y. K. Gupta, Managing Trustee of Shri Anand Swaroop Educational Trust, is nominated as Vice Chairman.

Fee Relaxation Policy (Scholarships/Concessions/Waivers)

Hindustan College of Science & Technology strongly believes in nurturing and encouraging the students to transform into lifelong learners and leaders of their profession. We need commensurate input quality of students. To encourage & attract such high potential academic achievers, the college offers/assists talented students through generous scholarships/fee relaxations covering part/full academic fee for the entire/part duration of the program. This policy has been designed to help effectively administer scholarships, free ships and other financial assistance at the college level under the categories mentioned below to meritorious students:-

1. The eligibility for fee concession is restricted to the students of HCST only.
2. The free concession will be restricted to the extent of tuition fee, exam fee, development fee and others like bus fee, caution Money, College Kit, hostel fee, hostel Security, late registration fine, mess charges, misc./development fee, PDP program fee, registration fee, Tuition fee, book bank scheme etc.as defined and laid down in the guidelines stipulated for the purpose, through appropriate scholarships and one time waivers.
3. If the student is availing fee concession facility at the entry level then eligibility would be decided on the basis of laid down performance criteria in qualifying exam/other recognized/competitive exam as disclosed in the policy paper. If the scholarship once granted has to be continued for the subsequent years, it will depend upon the performance of the student in previous year/ Semester examinations and student has to meet the criteria laid down in the policy paper and economical condition of the parents may also be given weightage.
4. During subsequent years the fee concession facility would be continued subject to the maintaining the academic performance criteria laid down in the policy paper and applicable to the student in the merit category for which fee concession was initially offered, (i.e. meeting the laid down criteria in policy paper, is essential for continuation of scholarship)
5. For newly admitted students the scholarship/fee concession as per laid down norms is administered by the admission counselor.
6. For continuation of the scholarship the student before approaching the college administration for continuation of fee concession/scholarship (of any type) should approach through his counselor/class teacher to HOD and then it is forwarded to DSW/ Director of the College for approval, as per laid down norms.
7. In most of the cases the College Director gives the approval and in some cases the case is forwarded to management for approval, if any cause so arises.
8. The Quantum of concession in the fee in all categories would be based on the various laid down norms of merit. Some scholarships are based on financial background of the parents besides academic performance of the student.

Ref : SGI/2021-22/Admissions/Scholarship/

Dt.21st June 2021

Sharda Group of Institutions is pleased to announce the "Sharda Vidushi" Girl's Scholarships Scheme for 200 meritorious Girl Students (on the first come first serve basis) with the objective of encouraging girls education in professional domains and recognizing and subsidizing the efforts of the parents in promoting higher education among girls in various professional disciplines, thus providing encouragement to meritorious girl students. The SVGS scheme shall be applicable for Anand Campus, Agra(AEC) only for the academic session 2021-22 and may be extended to further years, if the response is found encouraging.

Allocation of scholarship: The number of scholarships for Ist year shall be for 200 meritorious Girl Students across various disciplines of B.Tech courses and other U.G. / P.G. Courses on 'first come first serve' basis and shall be awarded to all such Girl Students who have secured percentage of marks/ grades as per criteria defined below; for the first 200 applicants.

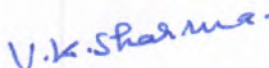

Amount :-A fee discount of Rs. 10,000/- per year shall be offered to all girls students of Anand Engineering College Technical Campus (other than B.Ed. / B.PEd) who have secured 60% or above marks in the qualifying exam e.g. 12th marks for Graduate courses and Graduation marks for P.G. courses.

The following conditions apply:-

- If the girl student is in receipt of any other category of scholarship e.g. Merit Scholarship, the amount of 'Sharda Vidushi' shall be adjusted against the same & any one of the scholarships only can be availed.
- The continuation of scholarship in subsequent years will be subject to the student maintaining a minimum of 80% attendance in the preceding year (both of the two semesters) failing which the scholarship will be discontinued.
- The confirmation of scholarship is subject to scoring minimum 60% (Agg.) marks in the previous year (each of two semester); failing which the scholarship will be discontinued.
- Scholarship once discontinued will not be renewed or restored.

Fee Relaxation Policy

(Scholarships/Concessions/Waivers)

Hindustan College of Science & Technology strongly believes in nurturing and encouraging the students to transform into lifelong learners and leaders of their profession. We need commensurate input quality of students. To encourage & attract such high potential academic achievers, the college offers/assists talented students through generous scholarships/fee relaxations covering part/full academic fee for the entire/part duration of the program. This policy has been designed to help effectively administer scholarships, free ships and other financial assistance at the college level under the categories mentioned below to meritorious students:-

1. The eligibility for fee concession is restricted to the students of HCST only.
2. The free concession will be restricted to the extent of tuition fee, exam fee, development fee and others like bus fee, caution Money, College Kit, hostel fee, hostel Security, late registration fine, mess charges, misc./development fee, PDP program fee, registration fee, Tuition fee, book bank scheme etc.as defined and laid down in the guidelines stipulated for the purpose, through appropriate scholarships and one time waivers.
3. If the student is availing fee concession facility at the entry level then eligibility would be decided on the basis of laid down performance criteria in qualifying exam/other recognized/competitive exam as disclosed in the policy paper. If the scholarship once granted has to be continued for the subsequent years, it will depend upon the performance of the student in previous year/ Semester examinations and student has to meet the criteria laid down in the policy paper and economical condition of the parents may also be given weightage.
4. During subsequent years the fee concession facility would be continued subject to the maintaining the academic performance criteria laid down in the policy paper and applicable to the student in the merit category for which fee concession was initially offered, (i.e. meeting the laid down criteria in policy paper, is essential for continuation of scholarship)
5. For newly admitted students the scholarship/fee concession as per laid down norms is administered by the admission counselor.
6. For continuation of the scholarship the student before approaching the college administration for continuation of fee concession/scholarship (of any type) should approach through his counselor/class teacher to HOD and then it is forwarded to DSW/ Director of the College for approval, as per laid down norms.
7. In most of the cases the College Director gives the approval and in some cases the case is forwarded to management for approval, if any cause so arises.
8. The Quantum of concession in the fee in all categories would be based on the various laid down norms of merit. Some scholarships are based on financial background of the parents besides academic performance of the student.

6. For continuation of the scholarship the student before approaching the college administration for continuation of fee concession/scholarship (of any type) should approach through his counselor/class teacher to HOD and then it is forwarded to DSW/ Director of the College for approval, as per laid down norms.
7. In most of the cases the College Director gives the approval and in some cases the case is forwarded to management for approval, if any cause so arises.
8. The Quantum of concession in the fee in all categories would be based on the various laid down norms of merit. Some scholarships are based on financial background of the parents besides academic performance of the student.

Fee Relaxation Policy

(Scholarships/Concessions/Waivers)

Hindustan College of Science & Technology strongly believes in nurturing and encouraging the students to transform into lifelong learners and leaders of their profession. We need commensurate input quality of students. To encourage & attract such high potential academic achievers, the college offers/assists talented students through generous scholarships/fee relaxations covering part/full academic fee for the entire/part duration of the program. This policy has been designed to help effectively administer scholarships, free ships and other financial assistance at the college level under the categories mentioned below to meritorious students:-

1. The eligibility for fee concession is restricted to the students of HCST only.
2. The free concession will be restricted to the extent of tuition fee, exam fee, development fee and others like bus fee, caution Money, College Kit, hostel fee, hostel Security, late registration fine, mess charges, misc./development fee, PDP program fee, registration fee, Tuition fee, book bank scheme etc.as defined and laid down in the guidelines stipulated for the purpose, through appropriate scholarships and one time waivers.
3. If the student is availing fee concession facility at the entry level then eligibility would be decided on the basis of laid down performance criteria in qualifying exam/other recognized/competitive exam as disclosed in the policy paper. If the scholarship once granted has to be continued for the subsequent years, it will depend upon the performance of the student in previous year/ Semester examinations and student has to meet the criteria laid down in the policy paper and economical condition of the parents may also be given weightage.
4. During subsequent years the fee concession facility would be continued subject to the maintaining the academic performance criteria laid down in the policy paper and applicable to the student in the merit category for which fee concession was initially offered, (i.e. meeting the laid down criteria in policy paper, is essential for continuation of scholarship)
5. For newly admitted students the scholarship/fee concession as per laid down norms is administered by the admission counselor.
6. For continuation of the scholarship the student before approaching the college administration for continuation of fee concession/scholarship (of any type) should approach through his counselor/class teacher to HOD and then it is forwarded to DSW/ Director of the College for approval, as per laid down norms.
7. In most of the cases the College Director gives the approval and in some cases the case is forwarded to management for approval, if any cause so arises.
8. The Quantum of concession in the fee in all categories would be based on the various laid down norms of merit. Some scholarships are based on financial background of the parents besides academic performance of the student.
