Report on Placement Aptitude Training Workshop for 4th Year B. Tech Students
(2019-20)

Dated 26th August-30th August 2019

Resource Person: NBA Smart Classes , Bareilly

The "Placement Aptitude Training Workshop" was conducted by the Department of Training & Development (T & D) of Hindustan College of Science & Technology from 26 Aug 2019 to 30 Aug 2019. The workshop emphasized the ability to perform tasks and react to situations at work. The engineering students were apprised through activities about ways to effectively carry out a task and solve problems. Aptitude training was conducted to enhance the ability of quick learning methods, along with improving the analytical skills required for the spontaneity in a particular situation. The resource persons from NBA Academy conducted workshop on quantitative aptitude, reasoning topics (logical & analytical) to help students understand the concept of aptitude. The purpose of this training was to lay emphasis on logical & critical thinking. These training allow the students to think beyond boundaries and limitations, keeping in view the aspect of time management which would be very beneficial for them in longer run for their sound professional & carrier growth. The students were encouraged to attend and contribute in aptitude classes for acquiring essential quick learning and analytical skills and consequently effectiveness, happiness and success on the job.
