Dated 2nd September – 5th September 2021

Resource Person: Sharda University, Greater Noida

The "Placement Aptitude Training Workshop" was conducted by the Department of Training & Development (T & D) of Hindustan College of Science & Technology from 2 Sep 2021 to 5 Sep 2021. The workshop emphasized the ability to perform tasks and react to situations at work. The engineering students were apprised through activities about ways to effectively carry out a task and solve problems. Aptitude training was conducted to enhance the ability of quick learning methods, along with improving the analytical skills required for the spontaneity in a particular situation. The resource persons from Sharda university conducted workshop on quantitative aptitude, reasoning topics (logical & analytical) to help students understand the concept of aptitude. The purpose of this training was to lay emphasis on logical & critical thinking. These training allow the students to think beyond boundaries and limitations, keeping in view the aspect of time management which would be very beneficial for them in longer run for their sound professional & carrier growth. The students were encouraged to attend and contribute in aptitude classes for acquiring essential quick learning and analytical skills and consequently effectiveness, happiness and success on the job.
