9. Shri Ashok Kumar Mittal, Member
10. Dr. Suruchi Kumar, Member
11. Dr. Manoj Kumar Tiwari, Northern Regional Officer, Member
12. Dr. R.K. Upadhyay, Secretary

Leave of absence :-

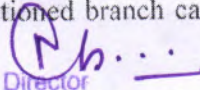

1. Dr. Manish Gaur, Member
2. Prof. S.G. Deshmukh, Member

1. Mr. Y.K. Gupta chaired the meeting and welcomed all the members present in the meeting. He requested Director, HCST to submit the performance report of the college before the members.

2. The following points were discussed and finalized in the meeting:

a) Based on the data presented on student enrollment vis-a-vis actual intake, the committee felt that there is very low admission in the branch of Civil Engineering, Mechanical Engineering and Biotechnology. The committee felt that the student intake in the above mentioned branches can be reduced to 30 seats each from existing 60 seats.

b) Based on the present data and statistics on the demand for computer science engineers in the job market, the committee discussed the feasibility of accommodating higher number of students considering the factors such as infrastructure, faculty availability and resource allocation. The committee felt that the student intake in the above mentioned branch can be increased to 180 seats from existing 120 seats.

c) On the basis of present concept and importance of Data Science in today's technological landscape and current market demand for data science professionals, approval from the board to introduce the Computer Science & Engineering (Data Science) program with 30 seats was sought in view of the potential benefits of introducing such a specialized program in CSE.

d) It was also emphasized that there is deteriorating quality of the student intake. In relation to this, Director has informed the committee, that the SGI group has already initiated scholarship scheme from the previous year and which would be continued in the coming session to so as to facilitate a better quality intake of the students.

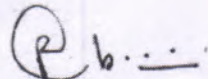

e) Committee reviewed the placement activity of the college and it was observed that the number of students placed is relatively high as compared to last year.

f) Committee approved the budget for the year 2022-23.

g) The committee members also had an open discussion on some additional matters of concern not covered in the previous agenda items. They included community engagement, alumni relations, quality assurance, and international collaborations.

h) Since there were no other points, the meeting came to a closure at 4:30 PM, after vote of thanks by the chair.
