POLICY DOCUMENT

FOR DISABLED-FRIENDLY, BARRIER FREE ENVIRONMENT

Objectives of the Policy

The Government of India formulated the national policy for persons with disabilities in February 2006 which deals with educational rehabilitation of persons with disabilities, therefore in view of this Hindustan College of Science and Technology, Farah, Mathura has included these policies in the teaching and learning process. The HCST's policy recognizes that persons with disabilities are valuable human resource for the institution and seeks to create an environment that provides equal opportunities, protection of their rights and full participation in the academic environment. The focus of the policy is on the following:

1. To create Inclusive Culture to avoid discrimination, exploitation and exclusion of the Disabled Students and Staff in all spheres of work and education.
2. To create suitable regulatory mechanism for the effective delivery of services to the Disabled Students and Staff.
3. To ensure implementation of all legislations with respect to persons with disabilities.
4. To provide accessible and inclusive education.
5. To ensure full participation of persons with disabilities and to provide them the equal opportunities for development.

In addition to the above points. further a few more points have been included so as to implement the above said points religiously.

1. To ensure that the design of the building such as ramp/ lift should be according to the disabled persons.
2. To ensure the accessible, gender-sensitive, safe, usable and functional washroom facilities should be provided for disabled persons.
3. To ensure the proper text and pictogram signage such as tactile path, lights, display boards, signposts are necessary, located to be visible and touchable.
4. The use of signage of male and female symbols, in accordance with local customs and standards, with raised outlines and bright color contrast will be more evident to everyone and particularly helpful for persons with visual impairments.
5. Learners with disabilities need to be adequately and appropriately supported in and out of the classroom with the right resources and assistive technology
7. Provision for enquiry and information: Human assistance, reader, scribe, soft copies of reading material, screen reading
8. Dean Students Welfare, Registrar, Head of the Departments and Wardens of Boys and Girls hostels will be responsible for the safety and well being of the disabled students/ staff of the college.
