WASTE MANAGEMENT POLICY

1. Arrange for segregating the waste as Solid waste, Liquid waste and Hazardous/Non degradable waste and arrange for disposal of the same using different methods
2. To implement the procedures for the safe storage and disposal of Solid Waste which includes Municipal Solid Waste (MSW), Hazardous Waste, E-Waste, Paper waste, Plastic Waste, Construction & Demolition Waste (C & D Waste), Food waste generated in canteens and messes in an economical manner to maintain a healthy campus
3. To implement the procedures for the safe storage and disposal of Liquid waste which includes Sewage treatment plant and proper maintenance of internal drainage systems
4. Dust bins and waste disposal bins to be used in the campus at places they are installed- grounds, canteens, classrooms, faculty and staff cabins.
5. To provide awareness and waste management training to the faculty members, staff, students and waste handlers so that compliance with the requirements of managing waste & environmental safety can be achieved and we are able to minimize waste by following 4 R's of Waste Management namely Reuse, Refuse, Reduce, & Recycle.
6. To ensure compliance of statutory obligations by adopting the principles stipulated in the Waste Management Rules 2016 and its amendment.
7. This Policy Document should act as a document for communicating with Faculty members, staff, students, commercial partners, contractors, and visitors so that all are aware about the policy on waste management and comply with the same

Established in the year 2015, with a perfect blend of young and experienced Professionals, Chhaya Sinha and the team has a dual edge advantage of being both dynamic and stable. Our motto is to provide commercial and consistent solutions to our valuable customers with advanced state-of-the-art-technology and knowledge base and to work

for the nation with honesty and sincerity and to give 100% inputs and take the organisation to new heights with visibility and recognition in this competitive world.

We are now an end-to-end Solutions and service provider, with a focus on giving clients unparalleled operational efficiency, giving them the competitive-edge required in this progressive and competitive market.

We greatly focus on the prime objective of providing an environment friendly solution to deal with the problem of reducing, reusing and recycling the e-waste.

According to the Global E-Waste Monitor 2017, India generates about 2 million tonnes (MT) of e-waste annually and ranks fifth among e-waste producing countries, after the US, China, Japan and Germany. In 2016-17, India treated only 0.036 MT of its e-waste. Koscove E-waste Pvt. Ltd. has taken a pledge to increase it's efficiency every year and contribute to nature.

 **OUR E-WASTE
BETTER PLACE**

E-WASTE MANAGEMENT

E-waste has been one of the fastest growing waste streams in the world. While e-waste contains valuable materials such as aluminum, metals and harmful chemicals, it also contains harmful substances like cadmium, lead and mercury. In the absence of proper awareness, disposing e-waste in landfill can result in toxic emissions to the air, water and soil and pose a serious health and environmental hazards. As our social responsibility towards our mother nature earth and next generation we give end-to-end e-Waste recycling in eco-friendly way, for our vision on this Koscove E-waste Pvt. Ltd. practise it's 4R philosophy: Reduce, Reuse-Recycle-Rethink.

Sub: Renewal of permission for the purchase of wet waste

Dear Sir,

We are thankful to the College Management, Director and Mess Manager for the help you are rendering from past three years by allowing us to take Wet Wastages from your campus for our Pig Farm. We are informed that as per your *contract* dated 16/06/2018, permission to lift the wet waste will be expired on 15/06/2021. In this context we would like to continue the same by purchasing the wet wastage food from your college Hostels and Cafeteria. So, once again I request you to kindly permit me to take the wet wastage food to my Pig Farm for their (pigs') food. We assure you that we would follow the rules of the College as informed.

Thanking you sir,

Yours Faithfully
