A Cleanliness drive was organized by the college NCC Cadets on 9<sup>th</sup> March, 2019 at SWACHH Yamuna River Bank AREA under the observance of "SWACHHATA BHARAT MISSION".

The "Swachh Bharat Abhiyan" is the most significant cleanliness campaign by our Honorable Prime Minister Shri Narendra Modi. Cleanliness Drive is just a small step towards contributing to this campaign.

The main purpose of this programme was to create awareness among the NCC Cadets/ students regarding Cleanliness and its benefits. All the NCC Cadets were told to bring hand gloves, mask, water bottle, a small cloth for the cleaning purpose. With zest and zeal, the enthusiastic students steered the cleanup drive to success through their efforts.

Cadets and students cleaned their given areas during the drive. Some cadets also picked the litters and plastic bottles, wrappers to clean the outside area. NCC cadets and students motivated the people of nearby village to keep their surroundings clean.

It is everyone's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

A Cleanliness drive was organized by 10 UP Bn NCC, Mathura, on 10<sup>th</sup> November, 2019 at ARMY AREA under the observance of "SWACHHATA BHARAT MISSION".

The "Swachh Bharat Abhiyan" is the most significant cleanliness campaign by our Honorable Prime Minister Shri Narendra Modi. Cleanliness Drive is just a small step towards contributing to this campaign.

The main purpose of this programme was to create awareness among the NCC Cadets/ students regarding Cleanliness and its benefits. All the NCC Cadets were told to bring hand gloves, mask, water bottle, a small cloth for the cleaning purpose. With zest and zeal, the enthusiastic students steered the cleanup drive to success through their efforts. 20 cadets from our college participated in this event.

It is everyone's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

Cadets and students cleaned their given areas during the drive. Some cadets also picked the litters and plastic bottles, wrappers to clean the outside area. NCC cadets and students motivated the people of nearby village to keep their surroundings clean.
