28+ years...

our illustrious legacy of excellence

Established in 1996, Sharda Group of Institutions is a multi-million-dollar conglomerate which is focused on building a better world through business operations in diverse areas like Education, Healthcare, Information Technology, Startups, Engineering Equipment, Construction, Biotechnology, Hospitality and Skills Development.

The Group is proud to be one of the drivers of change in building a world where intellectual minds will thrive, everyone will have access to good health, edifices of excellence will define the skyline and new age IT solutions will set new benchmarks.

With five campuses and 40 offices spread across 300 acres, Sharda Group of Institutions is proud to shape the dreams of 26000+ students from 95+ countries. A journey that started with establishing North India's first engineering colleges in Agra & Mathura which took a bigger shape with the setting up of Sharda University campuses in Greater Noida and Andijan, Uzbekistan.

The 90,000+ flag bearers of Sharda, its Alumni across the globe, are an apt reflection of an illustrious legacy to think beyond boundaries. The Group is touching the lives of 15 million people and has operations in India, Uzbekistan and plans to expand further to the other CIS countries and Africa.

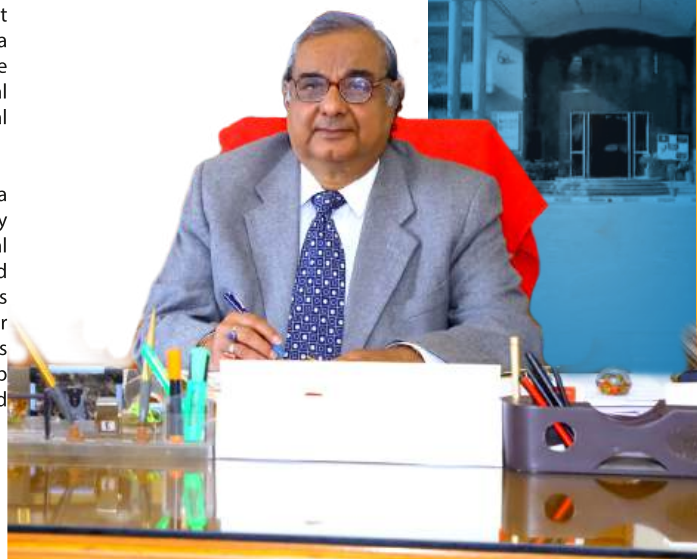

Director's Message

With great pleasure, I extend a warm welcome to all admission seekers to Hindustan College of Science and Technology (HCST). Established in 1996 with a modest beginning, it has since evolved into one of the premier private engineering colleges in North India, with NAAC 'A+' accreditation status.

Prof. V. K. Sharma
Director

Guided by a vision and unwavering commitment to establish a comprehensive, knowledge-centered ecosystem that serves humanity, HCST remains steadfast in its pursuit of holistic development, firmly integrating a culture of innovation, research, and academic excellence with the goal of nurturing the future generation of global leaders and entrepreneurs, instilling in them high moral and ethical values.

Beyond the realm of academics, our institute places a strong emphasis on holistic development, firmly believing that besides professional knowledge, essential practical skills of the domain, whole some values and nurturing to develop students as good professionals as well as good human beings is the paramount aim of our professional education. We invite you to be a part of this 28 years illustrious legacy of excellence leading to top performing Alumni spread across the country and abroad.

HINDUSTAN INSTITUTE OF MGMT. & COMPUTER STUDIES, MATHURA

AKTU CODE : 067

Director's Message

It is my pleasure to welcome you to Hindustan Institute of Management and Computer Studies.....

The objective of imparting education, combined with creation, dissemination and application of knowledge, are being met in an integrated form, to create a synergetic impact. Fulfilling these objectives, we conduct a wide range of diversified activities including training, teaching, consulting, research, and intellectual development.

The MBA & MCA, offered by the institute subject the students to an overall transformation, training them to be better professionals, and better human beings. The programmes lay emphasis on all-round development of the students and inculcate human values and professional ethics in them. The mode of learning at HIMCS is different from other B-Schools. We emphasize on Experiential Learning, and believe that the market is the lab for the students. We encourage learning beyond the classroom, picking up case-studies from around us, observing the traditional negotiation skills and to learn business wisdom from every nook and corner.

Dr. Naveen Gupta
Director

Pushing our young
minds towards
innovation &
contribute to the
well-being of
mankind

HINDUSTAN CAMPUS

The Campus houses two Colleges viz. The Hindustan College of Science & Technology (AKTU Code - 064) and Hindustan Institute of Management & Computer Studies (AKTU Code - 067)

Hindustan College of Science & Technology is the first self-financed private engineering college in North India, established in 1996, affiliated to Dr. APJ Abdul Kalam Technical University (AKTU), Lucknow and approved by All India Council for Technical Education (AICTE), New Delhi.

Earning a college degree is all about opening up opportunities in life. It prepares you, both intellectually and socially, for your career and your future life. The benefits of a college education include better career opportunities like improved paying and higher-skilled jobs, respect in society. It requires a lot of hard work, but that work prepares you for a challenging and rewarding career and more fruitful life. We have consistently focused on developing our students to achieve these goals by enhancing knowledge levels, domain skills and professional ethical behavior and soft skills and no wonder our Alumni are working across the Globe today in top positions.

The colleges are situated at the 26 km milestone from Agra on the Agra-Delhi Highway (NH-19). It has a sprawling campus spread across 29.4 acres of land. Its state-of-art facilities give opportunities to develop leadership skills and to achieve professional excellence.

Hindustan Campus offers courses in various branches of Engineering, Management & Computer Application. The Hindustan College of Science & Technology has been awarded NAAC 'A+' Grade for its excellent facilities and outcome based education (and stands at 2nd position in NAAC scores of A+ Grade six Colleges affiliated to AKTU).

PROGRAMME AND FEE STRUCTURE

Hindustan College of Science & Technology

B.Tech.

- Computer Science and Engineering
- Computer Science and Engg. - Data Science
- Mechanical Engineering
- Civil Engineering

- Electrical & Electronics
- Electronics & Communications
- Bio-technology
- Information Technology
- Chemical Engineering

M.Tech.

- ECE - VLSI Design

MBA

(Specialisations same as HIMCS)

Hindustan Institute of Management & Computer Studies

MBA-Dual Specialization

- Marketing
- Finance
- International Business
- Human Resource Management
- Information Technology
- Operations Management

MCA-Domain Area

- Software Developers
- Software Testing
- DBA
- Web Designers
- Cloud Architect
- Data Scientist
